

A new system at YCC for automated tee times signup

Your Board has been studying the **ForeTees** computer program for automated member tee times signup. **ForeTees** is a ten year old reservation system developed by PGA golf professionals exclusively for the use of private clubs like ours. Bob Eames and the Board are very excited about this system and the benefits it gives the members as well as the Club. This new system is now up and running and can be accessed directly from the YCC website's homepage.

Members will still be able to call the Pro Shop for tee times.

ForeTees Member Benefits:

- Provides members with a faster and more convenient option for making tee times
- System is available 24 hours per day, 7 days a week from anywhere with internet access
- No longer experience long hold times when trying to make a tee time (online times can be made in an instant)
- View the entire tee sheet for a specified day within 30 days of the current date (see who's playing, with whom, and when)
- Make and modify your tee times online
- Create a "Partners" list of members with whom you play most often (expedites the tee time making process even more)
- Sends automatic email confirmations to all members in the tee time once the tee time is booked, modified or cancelled (you always know the status of your tee time)
- Able to register for events online quickly and easily
- Search for other members' tee times
- Calendar feature lists all current tee times and events for each individual member
- Send emails to other members through **ForeTees**
- View a list of upcoming events with all the details of each event
- Post scores online through **ForeTees**
- Book times from your smart phones (iPhone, Blackberry, etc)

Logging into the new Foretees Tee Time system:

Members can access the Foretees system by clicking on the "Make a Tee Time" link on the YCC website's home page. (yellowstonecc.com)

You may also access the Foretees system directly at:

<http://web.foretees.com/yellowstonecc/>

To login use your member number. Your password is your last name. Once you are logged in you may change your password if desired. Member's spouse should login using their member number with an "a" at the end, e.g. 1234a and their last name. If your last name is less than four (4) letters please add a 1 to the end of your name, as passwords must be at least four characters.
